

New Software Release

AD100ProTruck - ADS310

IVECO - 2012 - PINCODE Read

J u n e 2 0 1 2

Advanced Diagnostics are pleased to announce the release of new PINCODE reading software for the IVECO using the AD100Pro Truck (24v Systems). This new software has been developed to read pin-codes from the BCM module. The pin-code reading software will cover all variants of the IVECO Daily & Eurocargo Trucks from 2006 to 2011.
